Notes from the PRESIDENT

Hello everyone,
I hope you had a great summer!

There is a lot of great stuff happening at the Chamber, as usual. This was another great year for the Festa Della Lira and the Golf Outing. A huge thank you to Tony Giordano, Chuck Shermetaro, Andy Agosta, and their committees for making this happen. Without those 2 events we cannot do most of what we do.

In August we had our first ever summer networking event. This was also a huge success because of the organization of Matt Baffo, his committee and you. Thank you to all who attended and brought a potential member. We look forward to expanding this event next time.

Coming up this fall you will also see a few changes. First is the Networking event(s) that will be taking place at our regular membership meetings. We are also taking a more pro-active approach to help you get involved. The more we get to know you the better we can refer business to you. We are going to be selling new name badges for those that want an updated badge that will show your name and business description as well, again, help us get to know you. We will begin a new program of retaining those badges after each meeting so that no one forgets them at the next meeting. Remember to pick those up and drop them off at each meeting at the door. We will also be contacting you to see if you would like to get more involved in the Chamber happenings by volunteering for a committee. New faces and new ideas are always welcome. Please feel free to bring any advertising you have to our meeting so we can support your business. One of the items we have been asking at the end of our monthly meetings is if anyone has any events, promotions or announcements they would like to share about their businesses. Please let us know.

Lastly, we are always looking for new members. Please remember that we also welcome business owners. These

Chairman's CORNER

Now that the summer is winding down I sure hope everyone had plenty of opportunity to enjoy all the wonderful outdoor activities that our great state has to offer. One Chamber activity - The John B Agosta Memorial golf outing was another success with the event being a sellout and the beautiful weather contributing to a great day. Thank you to Andy Agosta and his committee for their efforts to organize this outing for the benefit of our scholarship fund.

On August 15th we held a networking event at Fern Hill designed to have members bring prospective new members and see the type of organization that we are. It was attended by approximately 50 people with a mix of current members and guests. The goal is to continue to grow the Chamber and hopefully some of the guests in attendance will become members. Thanks to Matt Baffo , RJ Koss, Mike Locricchio & Tony Rubino for your efforts in putting this together.

We are a little more than a year away from our 100 year anniversary celebration – October 19,2019 at the D.A.C – and the planning committee is looking for more members to join the 100 year club. As I mentioned in the last Grapevine, a video is being produced to tell the history of our organization and as a way to fund this project we are asking members for a \$100 donation. As a member of the 100 year club you will be listed in the credits as a supporter and receive a commemorative lapel pin designed for this occasion. There will also be other sponsorship opportunities for this event available with the details coming soon. I look forward to seeing everyone at the September meeting at Zuccaro's. Have a great Labor Day weekend.

Ciao,

David F Galli

Italian American Chamber of Commerce John B. Agosta Memorial 35th Annual Scholarship Golf Outing

A perfect fun filled day! I want to thank all the Chamber members, along with their friends and associates who supported this year's golf outing. This year we made more than \$15,000. Over the years we have granted over \$275,000 in scholarships and our golf outing has been a major source of that revenue. Your participation this year help will help many students with scholarships. Without your continued support this would not be possible.

A special thank you to Debbie, our Chamber administrative assistant, for keeping all the finances in order, and Fern Hill Golf Club for hosting this year's event. Their food and hospitality were fantastic. I also want to thank all my committee members who contributed their own time to make it all possible. Let's not forget this years' honoree Jim Timpa for all he has done for our Chamber and the Italian American Community.

The 2019 golf outing is currently in the early planning stages, stay tuned for all the details. I am looking forward to your participation.

Best regards,
Andy Agosta

A Better Chamber

How do we make this a better organization?

As we approach our second century, we all individually and collectively have the responsibility to see that we continue to exist. Also of importance is that we make every effort to make the Chamber a better organization. This is no easy task. Let us brainstorm this.

When we look at our current Officers and Board members we see a group of bright and educated people who, when given the task, are capable of solving problems. It is the responsibility of the President and the Board Chairperson to identify and decides who, what, and when to find ways to make this a better Chamber.

First is membership retention. For reasons unknown we have too many people that join the Chamber, find that it does not meet their expectation, they then leave. The bad thing is that we make no attempt to find out why they left or try to get them to reconsider. So we must suggest that when a member decides to unjoin we should send her/him a survey which attempts to find out why. Most of these requests will be ignored. But if we receive 20% return, that is better than what we have now, which is zero. Secondly the President should make personal contact with the person and attempt to have her/him reconsider. The point being is we must do better than what we are doing now.

If it is determined that the person left for financial reasons, we should put in place funding to provide short term assistance.

The growth of Women in the IACCM has been disappointing to say the least.

We have a total of nine women by our current count. This includes regular and corporate membership. We have one female that has been active as a Board Member and Officer position. We have in recent years had a few ladies on our ballots, but they have failed to get elected. Why?

It has been ten years since the Board was able to pass the acceptance of Ladies into The IACCM, prior to the first attempt made thirty years earlier (1979). This at that time was met with male bias rejection. Here we are, today 10 years of female member acceptance and we have been able to attract only nine females. Why?

Now we must realize that women have a more difficult schedule than men. Being that in addition to being a professional or business person, they are likely to being homemakers with children to care for. Yes you must admit that the Ladies have a more difficult life. So what do we do to attract more ladies? This is something that must be addressed.

We need to honor people who made contributions to the Chamber that contribute toward the betterment of the organization. These people for most part will be past or present members. However they can also be nonmembers. A list for consideration has been provided to current Board Chairperson David Galli. There needs to be some action on this by the Board. It would be very progressive if this is addressed prior to our 100 year celebration.

Let begin with the above mentioned and attempt to make some progress. If we don't talk the talk, it becomes a non-issue.

Thank you for your participation. God bless you all and your families/
