Notes from the PRESIDENT

Celebrating 100 years!

It is an honor and a privilege to be your President for 2019, I am truly humbled. And what a special year it is as the Italian American Chamber of Commerce of Michigan celebrates our 100 year anniversary. I would like to congratulate the Officers and Directors that will be serving the Chamber with me this year.

Our story begins in 1919 when the Italian Consulate and a group of Italian American men got together to form the Italian American Chamber-Detroit, known today as the Italian American Chamber of Commerce-Michigan. In 1919 Technology was evolving slowly, although the people of that era would likely say otherwise. The production of automobiles was over one million units, most of which were built right here in Detroit. In sports there was no Stanley Cup champion named because of a flu epidemic and 1919 was also the year of the Black Sox scandal. This is just a glimpse of the era when our group began. Over the next several decades the IACCM evolved with the times and became an organization that we can be very proud of today. The pride of our Italian heritage is the one thing that ties us to the founding members of this group. There are many reasons to join the IACCM, but our Italian pride has to be number one.

This year we will continue our traditions with the Festa Della Lira May 1st at the IACS and the John B. Agosta Memorial Golf Outing June 24th at Fern Hill. Our general membership meetings will continue to be a forum for networking and I will do my best to keep you informed of important happenings of interest. Increasing membership is always a focus of our organization and this year is no different. I would, however, like to see more women join the IACCM as their roles in the business and professional landscape is not something new, so why not join us.

Chairman's CORNER

HAPPY NEW YEAR!! I hope everyone had a wonderful holiday season and I wish all members and their families a healthy and prosperous new year. I would like to thank David Lazzara for his leadership this past year as President and look forward to his participation with the Past Presidents.

Congratulations to Dan Galli as he takes over as President for our 100th year. This year we've had quite a large turnover of Board Members, five to be exact. Welcome Joe Divozzo, Jim Timpa, Philip Maniaci, Charles Moran and Mike Divozzo to our Board of Directors. Once again, it is my honor to serve as the Chairman of the Board for 2019 and I look forward to working with them and all the Officers and Board Members.

If you were at the January meeting you heard the announcement of DTE Energy being the presenting sponsor of the 100 Year Gala to be held on Oct. 19, 2019 at the DAC. We are grateful to DTE for their sponsorship of this momentous occasion. Acquiring DTE as a presenting sponsor would not have been possible if not for the efforts of Sam Ventimiglia. Thank you Sam.

By now you are all aware of the 100 year club. I'd like to thank all of you who have participated in this and encourage those that haven't to consider doing so. Information regarding this and other sponsorship opportunities for the 100 Year Gala have been emailed to all members and is available on our website iaccm.net.

Also announced at the January meeting was the passing of long time member and past President Frank Pompa. Frank, as many of you know, was the keeper our Chamber archives and wrote articles for this newsletter about our history and other facts about the Chamber. His last article is in this paper. RIP Frank. You will be missed.

Italian American Chamber of Commerce of Michigan Celebrates 100 Year Anniversary!

Founded in October 1919 and still going strong, the Italian American Chamber has big plans to celebrate their 100-year anniversary, and thanks to DTE Energy they are off to a great start.

DTE Energy has donated \$25,000 to the Italian Chamber 100 Year Celebration Fund to become the Presenting Sponsor and to help offset costs of the yearlong schedule of events which include special speakers at the monthly meetings with highlights of the Chamber's past 100 years, partnership in presenting the Festa Italiana at Freedom Hill in July, special participation in the Columbus Day Queen contest and the Columbus Day parade; all culminating with their 100 Year Gala Celebration on October 19, 2019 at the Detroit Athletic Club. For information on upcoming events see www.iaccm.net or call 586-531-8728.

Italian Americans have developed some of America's largest industries and corporations. Keeping with the spirit of those early Italian Americans, the Italian American Chamber of Commerce of Michigan was organized in 1919 by the then Consulate of Italy, Pietro Cardiello, as well as several local Detroit area business people to promote business relationships between Italy and the United States. Among the early founding fathers were Attorneys Joseph Schippacasse, Anthony Esperti and Dr. Vincent Mancuso as well as local businessmen Andrew Maglia, Mark Valente Sr., Frank Loverde and Raymond Cuomo. Today, the Italian American Chamber of Commerce of Michigan is an active and vibrant group of Italian Americans who are proud of their Italian heritage and are engaged in many worthwhile charitable and business activities which contribute toward the entrepreneurial spirit, goodwill and success of the Southeastern Michigan community.

DTE Energy is a Detroit-based diversified energy company involved in the development and management of energy-related businesses and services nationwide. Its operating units include an electric utility serving 2.2 million customers in Southeastern Michigan and a natural gas utility serving 1.3 million customers in Michigan.

Fourth and Final Celebration Article

THE NEXT 100 YEARS

Please try to imagine the hundred year period 1919 to 2019. From horse and buggy's competing with model T's. A small group of men starting an organization named "Italian American Chamber of Commerce of Detroit". Somehow it still exists in a much different form; larger and more involved in community activities and perhaps more charitable. But without a doubt we live in a much more

complicated and dangerous world. We have been involved in many wars, some as long as fifteen years and no end in sight. We have seen so much growth in technology that it is mind boggling and difficult to stay current with the changes.

Our previous article made it clear that we as Chamber members must all see that as an organization we continue to exist. When we look at our current Chamber member life style, most of us are not wealthy, but also we are not needy, we enjoy great lifestyles We live in a country where no one needs to go to bed hungry. We are prepared to feed all people when needed.

We are involved in so much political differences, that it is impossible to have a calm and intelligent conversation with any one regarding our individual beliefs, unless of course they have similar views.

There is no way to predict what this beautiful country will look like or even if we will continue to exist in our present form in 2119. There are many in the world today who would like to see that the freedoms we enjoy today... go away.

Why do they hate America? Is it because we historically have been very generous to help all who are in need and attempt to be the world's peace makers? The point is that there are some people in today's world that want to continue with conflict. It brings them employment. Income and ability to expand their culture, language and religious beliefs. Some of this is coming from within, meaning they may have been born and educated here, but still resent our way of life and want change. I had no intent of getting into world politics; however there is no way to predict the future without considering the possible loss of our freedoms.

So let's thank God for all of our current blessings which are numerous. They include the ability to provide shelter, food and security for our family's, freedom of speech, the ability to maintain our borders, our language and of course our culture. That is where most of us are, or have been through. Let us not forget our Chamber or the Italian pride of heritage that brought us all together.

We wish you all a happy 100 year celebration, a healthy and prosperous life. May

God bless you all!
