### WELCOME BACK MEMBERS

Our first meeting back for the fall will be on Wednesday, September 5th at Ristorante Piccirilli.

It has been a great summer, and I hope all of you have enjoyed it as much as I have.

The IACCM events that have taken place have all achieved great success, and an outstanding job was done by all of the committee's and their chairmen. The Festa Della Lira, which was held back in April, was once again a night of good food, drink and camaraderie. The golf outing was a great success this year and all the credit goes to the golf committee, headed by Andy Agosta, along with all the volunteers, new members and associate members who worked so hard to make our scholarship program a huge success. The scholarship awards were handed out at the June 6th meeting at the Mirage, and it was so nice to see so many students on hand to personally accept their scholarships this year.

I am proud to say that Festa Italiana 2012 in downtown Mt. Clemens was a great event and was enjoyed by many. The city of Mt. Clemens rolled out the red carpet and made it a great party for everyone to enjoy, and are looking forward to next year.

Here are a few upcoming events and Chamber happenings:

- The September 5, 2012 general membership meeting is going to be a very informative meeting with our guest speaker Judge Linda Davis. She will be speaking about the organization that she has founded, FAN (families against narcotics). Using real-life experiences, instead of statistics, FAN hopes to help students, parents and the community deal with the realities of drug abuse and addiction. This is a very large growing problem and we all need to listen, learn and help this cause.

## Chairman's CORNER

You are probably scratching your head right now wondering why Tony Rubino isn't writing this column. Well, Tony had to step down as Chairman of the Board. Because of all of his previous obligations and commitments in his personal, charitable, and business lives, he felt he could not put in the time and dedication it deserves, but he will continue to be 2nd Vice President. We wish Tony all the best. As a result, the Board of Directors elected me to finish out his term, and I'm more than happy to do so.

With that said, how about this past summer? If you are a boater or golfer, you have got to be smiling. The weather was very cooperative. Speaking of golf, hats off to Andy Agosta and his committee for a spectacular outing. It was a sellout event. The event honored Gus Russo for all of his years of service and time giving, not only to the IACCM but the Italian community – well deserved! Special thanks go out to Steve Messina for allowing us to be at Scalawags for our event, as well as Johnny DiGiuseppe for the wonderful food he provided throughout the entire day. More importantly, the proceeds from this event that went to the scholarship fund and reached approximately \$12,000! Thank you to all of our sponsors, and particularly you, the members, who not only came to the event, but brought non-member friends and co-workers along with you.

You know, not only are you marketing and selling yourself and your business when you attend an event such as this and bring others, you are also selling and marketing the IACCM. What a way to showcase our organization as to who we are, and what our mission and goals are. It is a great way to recruit people to join.

I also noticed in various publications, IACCM members attending other events. One of them was the IAABT event that was hosting the Ambassador of Italy to the United States. Again, not only are you networking yourself and your profession, but you are marketing the IACCM as well. I should note that the IACCM was a sponsor for that event.

I know that there are various other functions that are coming up, including the Macomb County Business & Professional Expo that is presented by the Italian American Chamber of Commerce of Michigan, the Macomb County Chamber, and Metro Networking Professionals, on October 24th at The Mirage. Take advantage of these events. It is a great networking tool not only for you, but for the Chamber as well. I think you will find that you will have great standing and credibility when others find out that you are a member of the IACCM.

The Board of Directors is doing their part to help promote the Chamber as well as its members. We have been active in sponsoring various events, advertising and contributing to various charities, but the best promoter is you, the member. Tell others why you are a member, the benefits of being a member, and what it has done for your business.

The IACCM has been around for 93 years. That alone says it all. As part of our mission statement states "To nurture an environment for business and professional growth..." That is what we believe in, and that is why we are as successful as we are today.

Best of luck to all of you in the upcoming months, and may you all continue to prosper and be well.

Ronald A. DiBartolomeo  
Chairman, IACCM

## Motivational Moments — Summer/Fall 2012

By William A. Morelli, Sr.

It is hard to believe that the 2012 Olympics are now over. As usual, there were surprises, but nothing more surprising than little Gabby Douglas winning her Gold medal in Women's Gymnastics, and then following with Gold in the Team Women's Gymnastics. Michael Phelps also proved his worth in gathering more medals than anyone in history and, of course, our pro basketball players out shined Spain for another Gold. There were many more who did better than expected, but the greatest achievement was by the Jamaican Runners who brought fame to their little country. We all should feel a sense of pride when the United States Flag is raised and our National Anthem is played. But the real Heroes are the parents that encouraged their youngsters to follow that dream, and may have sacrificed much money to reach that goal. It is always inspiring to me to see how far the parents have gone to support their children.

As we go through the balance of this year, let us remember that youngster that is dreaming about representing his country – your country – at the next Olympic Games. Encourage them and support them in what ever manner you can. I, for one, look forward to the next time our Stars & Stripes flies as first, and our National Anthem is played.

Before I close, I must also pay tribute to all the young men and women that are serving in the Military. It is hard to believe that this volunteer military has the duty and the responsibility of defending this great nation and its people. When you see someone in uniform, try to remember to shake their hand and say "Thank You". It doesn't cost anything... but it will go a long way toward making that service man/woman know that we appreciate what they are doing.

Ciao

## Italian American Chamber of Commerce John B. Agosta Memorial 29th Annual Scholarship Golf Outing

As another year is quickly passing and I just wanted to thank all the Chamber members, their friends and associates, who supported this years golf outing, we had a record 146 golfers and 35 Hole Sponsors, which netted a profit of over \$12,000. I am sure this event's co-founders, my brother John and Fred Severini, were beaming down on us and provided that beautiful day. Since we started the scholarship fund we have granted over \$200,000 in scholarships and our golf outing has been a major source of that revenue. Your participation this year will help to provide 12 students with scholarships ranging from \$500 to \$1,500. Without your support this would not be possible.

From all of us, a special thank you to Debbie Demick for keeping our finances in order, John Di Giuseppe for the great food, Steve Messina for hosting this years' event and all my committee members who contributed a great deal of time and talent to this event. A special acknowledgment to this years' honoree Gus Russo for all he has done for our Chamber and our Italian American Community.

Next year's golf outing is currently in the planning stages, stay tuned for all the details.

I am looking forward to your participation.

Best regards,

Andy Agosta
