## Notes from the PRESIDENT

Happy New Year members!

As I step into the role of President of the Italian American Chamber of Commerce of Michigan, I am deeply honored and humbled by the trust placed in me. It is a great privilege to lead an organization that represents not only business excellence but also the rich cultural heritage that binds us together.

The Chamber is more than a business network—it is a community. Our mission is to connect like-minded professionals and entrepreneurs of Italian descent, fostering relationships that strengthen both our businesses and our cultural identity. We celebrate the traditions that shaped us while embracing the innovation that drives us forward.

Our members represent diverse occupations such as insurance agents, attorneys, roofing and glass contractors, even judges and surgeons. What unites us is a shared commitment to hard work, integrity, and family values—principles deeply rooted in our Italian American heritage.

As we look ahead, my vision centers on three pillars: **connection, growth, and legacy.**

- **Connection:** Together we win. We will create more opportunities for members to meet, collaborate, and support one another through networking events and fun meetups such as the upcoming Top Golf event March 11th, or the Italian Breakfast Club monthly meetings. There are also our annual events, like the John B. Agosta Memorial Golf Outing in June and the Festa Italiana held every July at Freedom Hill.

- I encourage you to sit at a different table each monthly meeting and get to know as many members as possible. These connections will create a base to build future relationships upon.

- **Growth:** We want to help our members thrive by sharing resources, spotlighting member businesses, and encouraging

- partnerships that strengthen our collective success.
- **Legacy:** Our heritage is a source of pride. Through cultural events, and charitable efforts, we will ensure that future generations understand and appreciate the values that brought our ancestors here.

The Italian American Chamber of Commerce of Michigan is uniquely positioned to make a difference—not just in business, but in the lives of our members and the broader community.

As I begin this new chapter, I am inspired by the legacy of those who served before me. Charles Moran, Chuck Shermetaro, and Mark Garagiola have created a strong momentum I will keep moving forward, along with the help of our new Officers and Board of Directors.

I invite each of you to join me on this exciting journey. Share your ideas, participate in our events, volunteer to join a committee, and help us build a vibrant network that reflects the best of our Italian American spirit.

## Chairman's CORNER

Happy New Year to all our IACCM members and their families! Wishing you a blessed, joyful, and healthy 2026. Our first meeting of the year took place on January 7th at the Century Banquet Center, and it was so well attended that finding a seat was a challenge - a very good sign! Chef Leonard Palermino and his team provided excellent service. La Befana even stopped by with candy for everyone, except for Pete Lucido, who jokingly received coal.

Congratulations to Joe Divozzo on becoming President of this esteemed organization. Many thanks to the Board of Directors and Past Presidents for appointing him. Joe has big shoes to fill after Charles Moran's two terms as president; through dedication, his infectious smile, and a welcoming attitude, Charles grew our membership from 180 to 209, and we know he'll keep building on this success. Thank you, Charles.

I am honored to serve as Chairman of the Board alongside Joe. Special thanks to Charles Shermetaro for guiding me. Having worked with Joe for 46 years in our family business, I'm excited to see his leadership in action here.

Congratulations to our returning board members, and a warm welcome to new board members Judge Julie Gatti, John DiPiazza, and Aaron Marentette. We're looking forward to collaborating with you.

Happy New Year, and please remember to mark your calendars for our upcoming events!

- **Festa Italian at Freedom Hill July 17-19th.**
- **Festa Della Lira at the Italian Cultural Center October 7th**

## Italian American Chamber of Commerce of Michigan Elects New Board of Directors and Officers and Becomes Affiliate Organization of NIAF

On Wednesday, January 7, 2026, the Italian American Chamber of Commerce of Michigan (IACCM) swore in their Board of Directors and officers. The IACCM boasts a rich legacy dating back to its inception in 1919, a collaborative effort between pioneering Italian American entrepreneurs and the Italian Consulate in Detroit.

With a steadfast commitment to fostering economic growth and cultural exchange, the IACCM serves as a dynamic nexus for business professionals and organizations, bridging the vibrant traditions of Italy with the boundless opportunities of the Italian marketplace.

Besides, the Italian American Chamber of Commerce of Michigan (IACCM) has joined the National Italian American Foundation (NIAF) as an affiliate organization. In doing so, the IACCM will be one of an exclusive group of Italian American organizations in the United States to enjoy the perks of this membership. The Federazione Abruzzese of Michigan is already an affiliate organization.

One of the most important perks is the guarantee that one young person from the IACCM will be selected to participate in the NIAF's Ambassador Peter F. Secchia Voyage of Discovery each year. This is a 2 week all expenses paid educational and experiential trip to Italy.

IACCM member Ned Piccinini immediately stepped forward to fund the first two years of membership fees, and Mike Schodowski graciously offered to fund the third year. The IACCM will refer to this trip as the Nazzareno Piccinini Study Abroad Program, in honor of the Ned's late father who was a past IACCM president.

More information about the IACCM and NIAF are available on their website: <https://iaccm.net> <https://www.niaf.org>

December 1, 2025

Dear Members of the Italian Chamber of Commerce of Michigan,

The Board of Directors of The Italian American Chamber of Commerce of Michigan (IACCM) has voted to become an Affiliate Organization of the National Italian American Foundation (NIAF). A committee consisting of Ron DiBartolomeo, Aaron Marentette, Leo Terzo, and myself was established to establish the guidelines and roll the program out to the membership. Two of our members have graciously offered to pay the annual membership fee of \$1500 for the first 3 years, with Ned Piccinini funding 2026 and 2027 and Mike Schodowski, shelving.com, funding 2028. After 2028 the membership fee will be paid for by the IACCM.

One of the benefits of membership is that we are guaranteed that one of our young people will be selected to participate in the Ambassador Peter J. Secchia Voyage of Discovery, a 14-day trip to Italy. The trip, valued at \$3,000, includes round-trip airfare, meals, and accommodations. A student meeting **the attached eligibility requirements** and is a **child, grandchild, niece, or nephew of an IACCM member** may apply to be considered.

The instructions for how to apply are also attached. The students must apply online at <https://niasf.communityforce.com/Login.aspx>. Judging will be by the NIAF, with no participation by the IACCM.

Finally, if one of your relatives is going to apply, please send an email or letter with their name and why you feel they are a good candidate. Send email to [sandratornberg@comcast.net](mailto:sandratornberg@comcast.net), or letter to:
